Dear fellow Tech Alumni,

Greetings from your Tech High School Alumni Association (THSAA)! We hope this note finds you well. After the 2026 school year, there will be over 36,000 graduates from Tech High School.

As in prior years, we are looking for your support to raise funds to assist in supporting the Tech students and our many traditions. With your donations, we will continue funding scholarships for the graduating classes, our Distinguished Alumni inductions, Athletic Hall of Fame events, help with reunion planning, graduation party gifts, band, orchestra, choir, Speech Team, Trapshooting, Robotics club, Aerospace program and athletic teams.

We are looking forward to another Distinguished Alumni induction in the spring of 2027 – Details will be communicated as planning evolves.
